

FIND THE RIGHT PEER-TO-PEER FUNDRAISING TECH PLATFORM FOR YOUR NONPROFIT

The peer-to-peer fundraising technology landscape is constantly changing. So, how do you know which platform will work for your peer-to-peer fundraising campaigns and events? Cathexis Partners offers a quick, affordable service to identify your needs, sort through software options, and help you find the right peer-to-peer fundraising platform for your nonprofit.

Here's what you get:

DISCOVERY

- A questionnaire to help you think through your organization's goals and technology requirements
- Up to 3 hour-long virtual meetings facilitated by Cathexis Partners to review your goals and needs

RECOMMENDATIONS

- A detailed written report with our findings and recommendations for up to 4 software platforms
- A virtual meeting with Cathexis Partners to review the report and answers any questions you may have
- A written outline of recommended next steps
- Coordination of product demos so you can see the recommended platforms in action

**ALL FOR ONE
LOW PRICE:
\$4,500**

"Cathexis Partners helped us sift through the dozens of peer-to-peer fundraising software options available to find a short list of options that fit our needs. They even found options we didn't know were out there."

— Anna Harré, Digital Specialist, UNICEF New Zealand
